AGENDA

I. Welcome and Introductions

II. Overview of the Academic Senate Information System (ASIS)

III. Setting Committee Agenda for the 2016-2017 Academic Year
The following are some items that we will need to discuss

• Work with IET to identify other faculty-critical systems, so they can
document the disaster recovery plans for CIT

• How to better secure Academic Senate communications and records kept on
IT systems

• UCDNet 4

• Transition to Voice Over IP

• Possible campus transition from Fidelis to Fire Eye

• Analyzing the security of non-administrative networks

• Other items

IV. Review of IET’s response to our request for information about disaster
recovery plans for Canvas

V. Items not mentioned above

VI. Fall meeting schedule
