Committee on Elections, Rules and Jurisdiction
Agenda for June 3, 2016 Meeting

1. Pending Legislation

1. **PRIORITY ITEM**: Davis Division Regulation A540(G) NG Grade Policy. It has recently come to the Registrar’s attention that the programmed system rules used for processing end of term grades may not be in alignment with the Senate regulations. The Registrar’s office would like to make any necessary corrections but would like guidance from the Academic Senate as to how the system should work both now and for the future. *(posted on ASIS whiteboard)* UPDATE: The proposed revisions were endorsed by the Grade Changes committee. The proposal was discussed at the February Executive Council meeting and there were still questions/concerns.

2. Old Business

1. **Student Course Evaluations and Privacy Rights.** Senate Chair Knoesen has asked CERJ to look into the issue of faculty privacy rights concerning information about the quality of service they provide at a public university (course evaluations). *(posted on ASIS whiteboard)*

3. New Business

1. **College of Engineering Regulation Revision.** The College of Engineering has proposed a revision to their regulations. CERJ is asked to review the proposed amendment to make sure it is consistent with systemwide and divisional bylaws and regulations. *(posted on ASIS whiteboard)*

2. **School of Nursing Bylaw Revision.** The School of Nursing has proposed a revision to their bylaws. CERJ is asked to review the proposed amendment to make sure it is consistent with systemwide and divisional bylaws and regulations. *(posted on ASIS whiteboard)*

3. **School of Medicine Regulation Revision.** The School of Medicine has proposed a revision to their regulations. CERJ is asked to review the proposed amendment to make sure it is consistent with systemwide and divisional bylaws and regulations. *(posted on ASIS whiteboard)*

4. **2016 Faculty Guide Review.** CERJ is asked to review the updated Faculty Guide to make sure it is consistent with systemwide and divisional bylaws and regulations. *(posted on ASIS whiteboard)*
