

UC DAVIS ACADEMIC SENATE
FACULTY RESEARCH LECTURE COMMITTEE

November 12, 2004

MEMBERS OF THE ACADEMIC SENATE

Subject: Nomination of candidates for the Faculty Research Lectureship

The Faculty Research Lecture Committee invites all Academic Senate members of the Davis Division to submit nominations for this year's Faculty Research Lectureship Award. The Faculty Research Lectureship is the highest honor the Davis Division of the Academic Senate accords its members.

Once each year the Davis Division of the Academic Senate selects a Faculty Research Lecturer, who will give a public lecture under the auspices of the Chancellor and the Chair of the Davis Division.

The lecturer is singled out for the distinction of her/his scholarly research, chiefly for efforts carried out while a member of the Davis faculty.

Since a single award is made for the entire Davis faculty, nominees should be outstanding scholars and researchers, recognized as leaders in their respective discipline, both nationally and internationally. Please provide the following:

1. A letter of two to three pages setting for the nominee's qualifications.
2. A current *curriculum vitae* of the nominee.
3. A bibliography of significant items.
4. One or two examples of the nominee's work demonstrating its distinctive quality.
5. The Selection Committee may request additional information on nominees and will not necessarily limit its consideration of candidates to the pool of nominees.

In preparing the cover letter, please emphasize information on originality and creativity of the nominee and the nominee's works. Nominators should emphasize the fundamental and, if appropriate, practical impacts of the nominee's work, particularly for work carried out at Davis. Against the background of the breadth of UC Davis research and scholarly activity, what makes your nominee's contributions stand out? Indicate the interest that the nominee's lecture may raise on the campus and in the local community.

The deadline for the nomination is 5 p.m., Friday, December 10, 2004.

Nominations, either paper or e-mail attachment, should be sent to:
