The following message is sent on behalf of Professor Linda Bisson

Dear Colleagues:

The search for a new Vice Provost – Graduate Education and Dean – Graduate Studies, which began last academic year, is continuing. Several finalists were brought to campus last spring, but unfortunately this first round did not lead to a successful recruitment. The Recruitment Advisory Committee interviewed additional candidates during fall quarter and the campus will be inviting one candidate for a campus visit on **January 14-15, 2016**.

Graduate Council and Graduate Program Chairs and Coordinators are invited to meet with the candidate on January 14 at the following times:

8:45 – 9:45 a.m. Meeting
Graduate Council
UC Davis Conference Center, Conference Room B

9:45 – 10:45 a.m. Meeting
Graduate Program Chairs and Coordinators
UC Davis Conference Center, Conference Room B

This will be followed by a meeting with graduate students and we hope faculty will encourage their students to attend this meeting.

10:45 – 11:45 a.m. Meeting
Chancellor's Group and Professional Student Advisory Board (CGPSA) and Graduate Student Association (GSA)
UC Davis Conference Center, Conference Room B

The public forum will be held at the GBSF auditorium in the afternoon of January 14:

1:45-3:15 p.m. Public Forum

Presentation topic: Identify and elaborate on three significant trends or developments occurring in the field of graduate education that will have potential importance in the upcoming decade.

Facilitated Q&A to follow.

Genome and Biomedical Sciences Facility – Auditorium

We also hope you will be able to attend the forum.

Linda
