RE: Review of PPM 380-13

Dear Maria:

The proposed changes to PPM 380-13 were forwarded to all standing committees of the Davis Division of the Academic Senate. Responses were received from the Committees on Faculty Welfare and Academic Freedom and Responsibility, as well as the Faculty Executive Committee of the College of Letters and Science. The UC Davis Academic Federation also chose to comment.

Academic Freedom and Responsibility and the Academic Federation support the proposed changes. The FEC of the College of Letters and Science suggests edits to section 4D, while Faculty Welfare has listed several points of feedback for the proposed draft; they believe an updated draft should be circulated for an additional review. Please see the committees' concerns and feedback attached.

The Davis Division appreciates the opportunity to comment.

Sincerely,
