Amber Carrere

Education Director, Department of Public Health Sciences

RE: Revised Proposal for a Minor in Public Health Sciences

Dear Amber:

The revised proposal for a minor in Public Health Sciences was forwarded to all standing committees of the Davis Division of the Academic Senate. Four committees responded: Undergraduate Council, Graduate Council, Planning and Budget, and the Faculty Executive Committee of the School of Medicine.

All committees support the proposed minor and think it will be a valuable addition to undergraduate education and society at large.

The Davis Division approves the new minor in Public Health Sciences.

Sincerely,

A handwritten signature in cursive script that reads "Rachael Goodhue".

Rachael Goodhue

Chair, Davis Division of the Academic Senate

Professor and Chair, Agricultural and Resource Economics
