RE: Disestablishment of the Major in Natural Sciences

Dear Kristin:

The proposal to disestablish the major in Natural Sciences was forwarded to all standing committees of the Davis Division of the Academic Senate. Two committees responded: Undergraduate Council and Planning and Budget.

Both committees support the proposal. Accordingly, the Davis Division approves the disestablishment of the major in Natural Sciences.

Sincerely,

Rachael E. Goodhue

Chair, Davis Division of the Academic Senate

Professor and Chair, Agricultural and Resource Economics
