Chair, Academic Council

**RE:** Proposed Presidential Policy on Export Controls

Dear Jim:

The proposed Presidential Policy on Export Controls was forwarded to all standing committee of the Davis Division. The Committee on Academic Freedom and Responsibility (CAFR) responded.

In the interest of clarity, CAFR recommends including an FAQ section containing “a clear definition of what is included in the list of export-controlled items and information, and what actions the policy will require on the part of faculty for certain events (travel, shipping of samples, research collaborations).”

The Davis Division appreciates the opportunity to comment.

Sincerely,

A handwritten signature in cursive script that reads "Rachael E. Goodhue".
