Re: Draft Provost/EVC Response: Self-Supporting Degree Program Task Force Report

The Davis Division of the Academic Senate forwarded your draft response to the Self-Supporting Degree Program Task Force Report to all divisional standing committees as well as Faculty Executive Committees within each college/professional school. Detailed responses were received from Committee on Planning and Budget (CPB) and Graduate Council.

The Division is supportive of the amended response; in particular, we appreciate your efforts to respond to the Division's comments of April 24, 2012. The creation of the Coordinating Committee on Self-Supporting Degree Programs should allow examination of remaining issues for incorporation into campus processes and policies. We are delighted to see the committee will include a member of Graduate Council. The membership should also include a representative from Committee on Planning and Budget. Finally, Graduate Council supports Dean Gibeling chairing the committee.

Sincerely,

Linda F. Bisson, Chair
Davis Division of the Academic Senate
Professor of Viticulture and Enology
