RE: Proposal to Disestablish the Program in International Relations and Transfer Authority for the Undergraduate Major to Political Science

The proposal was forwarded to all Davis Division of the Academic Senate standing committees and Faculty Executive Committees with the schools and colleges for comment during fall quarter. Responses were received from Planning and Budget, Elections, Rules and Jurisdiction, and Undergraduate Council.

We appreciate your assistance in answering the questions posed by the Undergraduate Council as they examined the proposal this fall/winter. Your responses coupled with the proposal assisted in a thorough review.

The Davis Division supports the proposal submitted by the College of Letters and Science to disestablish the Program in International Relations and to transfer authority to offer this undergraduate major to the Department of Political Science.

Sincerely,
