Re: Proposal to Revision of APM 10 and 15

The referenced proposal was forwarded to all standing committees of the Davis Division of Academic Senate in addition to the Faculty Executive Committee in each school and college. Comments were received from the Committees on Academic Freedom and Responsibility and Planning and Budget as well as the Faculty Executive Committees from the College of Biological Sciences, Graduate School of Management and College of Letters and Science.

The Davis Division strongly supports the efforts of the University Committee on Academic Freedom in clarifying academic freedom to include participation in shared governance.

Sincerely,

A handwritten signature in black ink that reads "R. L. Powell".

Robert L. Powell III, Chair
Davis Division of the Academic Senate and
Professor and Chair, Department of
Chemical Engineering and Materials Science
Professor, Food Science and Technology
