College of Agricultural and Environmental Sciences

Re: Proposal to Discontinue the Avian Sciences Major

The Undergraduate Council has reviewed and discussed the proposal from the College of Agricultural and Environmental Sciences to discontinue the Avian Sciences major. Undergraduate Council sought proposal feedback and received comments from the Committees on Planning & Budget and Elections, Rules & Jurisdiction. All are in agreement that the department followed the procedures for discontinuation of a major and consulted with other majors that will be affected by this action. Undergraduate Council applauds the thorough work conducted by the department.

Undergraduate Council approves discontinuation of the Avian Science major.

John Yoder, Chair
Undergraduate Council
