**PATRICIA BOESHAAR, CHAIR**

College of Letters and Sciences Faculty Executive Committee

**Re: Proposal to Consolidate Film Studies and Technocultural Studies Programs**

The proposal was forwarded to all of the standing committees of the Davis Division including the college/school Faculty Executive Committees. Responses were received from: Committee on Planning and Budget, Undergraduate Council, and Graduate Council.

All responses reflect endorsement of the consolidation proposal. The Committee on Planning and Budget stated: "The faculty affected within the two programs agree that it will be a good fit to consolidate, and the proposal makes sense from the point of view of academic planning."

The Davis Division of the Academic Senate approves the consolidation of the Film Studies and Technocultural Studies Programs into the Cinema and Technocultural Studies Program.

Sincerely,
