Dear Jeanne,

Given this response to your request is beyond the deadline, I am sending on behalf of the Davis Division of the Academic Senate a report of comments received concerning the draft proposed policy. I do hope time remains to affect a change in the policy, as we believe some of the comments, if implemented, would improve the policy language.

Regards,
Gina Anderson
Executive Director
Davis Division of the Academic Senate

Subject: Request For Campus Review of draft Privacy Policy; Response Due FRIDAY APRIL 29
Importance: High

Dear Colleagues:

This message is to request that you or the appropriate representative(s) or committee for your college, school, department or constituency review and comment on the attached draft UC systemwide Policy on Privacy. This draft policy prohibits making recordings and/or images of individuals in private locations, unless the individual has given express consent.

The proposed policy has been developed by Student Affairs and the Office of General Counsel in consultation with faculty experts in privacy law, the systemwide Academic Senate Chair, Associate Vice Chancellors and Deans, and Student Affairs Staff.

This new policy has been proposed to address a number of incidents involving violations of privacy that have recently occurred at across the country; the tragedy at Rutgers last fall is the most well known of these incidents.

UC systemwide policies provide for a consultative process at each campus as part of the review of proposed changes to student-related policies, including student, faculty, and staff constituent organizations, as well as campus officials who may have relevant expertise or information.

This request for review is being distributed to you in your role as assistant or associate dean or vice chancellor, president or chair of a constituency group, department head, or other official role. If there are others to whom you think this draft policy should be distributed for review, you are welcome to either forward the information directly, or let me know so that I can do so.

Comments should be sent by Friday, April 29, 2011, to:

Jerlena Griffen-Desta (Jerlena.Griffen-Desta@ucop.edu), Student Services Director, UCOP.

Please also copy UCOP Policy Analyst Eric Heng (Eric.Heng@ucop.edu).

If you have any questions, or would like additional time for review, please contact me or Director Griffin-Desta.

Thank you for your time and assistance in this important review process.

Sincerely,

Jeanne Wilson
