RE: Proposed Minor in Materials Science

The Undergraduate Council (UGC) has reviewed and discussed the proposal from the College of Engineering to create a new minor in Materials Science.

After careful review, the Undergraduate Council is satisfied with the January 11, 2012 response to the request for clarification previously sent to the College on December 16, 2011, and is pleased to approve this proposal. Undergraduate Council looks forward to the establishment of this new minor for the Davis Division.
