RE: Proposed Revision of APM 241 Faculty Administrator (less than 100%)

The proposal was forwarded to all Davis Division of the Academic Senate standing committees and Faculty Executive Committees within the schools and colleges for comment. Detailed responses were received from the Committee on Academic Personnel – Oversight, Graduate Council, Planning and Budget, and Undergraduate Council.

We offer the following recommendation to add to Section 241-20 that a Multi-Campus Faculty Administrator serves at the discretion of the President, and may therefore be terminated by the President, just as sections 241-24 and 241-80 indicate that the President will appoint and review multi-campus faculty administrators.

Overall, the Davis Division of the Academic Senate has no objections to aligning the three administrative documents with current practice.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bruno Nachtergaele".
