Request for Consultation Responses

Proposed Presidential Policy - Policy on Policies

December 6, 2016

Submitted for review is the final draft of the Presidential Policy for Establishing and Maintaining Presidential Policies. The proposed Policy outlines the current process for development and review of both new and existing policies. The Policy also includes procedures for both technical and formal review. The purpose of the proposed Policy is to provide clear and consistent guidance to all constituents for the process the University utilizes for policy development and review.

Elections, Rules & Jurisdiction

December 15, 2016 12:57 PM

CERJ discussed the Proposed Presidential Policy – Policy on Policies and agrees with the proposed policy as long as the Academic Senate will continue to be consulted on all new and revised policies that may affect the operations of the Academic Senate.
