Graduate Council

June 12, 2012 11:50 AM

Graduate Council supports the appointment of Dean Gibeling to lead the Coordinating Committee on Self-Supporting Degree Programs (SSDPs).

Professor Rachael Goodhue, Graduate Chair 2013-2012, will be representing Graduate Council on this committee.

Consistent with the expectation of the Academic Senate for SSDP, Graduate Council is fully committed to establish and implement policies for the Academic Senate and coordinate this effort with the work of the Coordinating Committee on SSDPs.

Given the important role that Committee on Planning and Budget (CPB) will be expected to play for the Academic Senate in the creation and review of SSDPs, Graduate Council strongly recommends that the membership also include a representative from CPB.

Planning & Budget

June 15, 2012 9:24 AM

CPB has reviewed the "Response to the Report from the Task Force on Self-Supporting Degree Programs". CPB fully supports the Graduate Council position on this response. CPB feels that BOTH Graduate Council and CPB should have representatives on the Coordinating Committee on Self-Supporting Degree Programs committee. In addition, CPB wishes to emphasize that programs seeking approval must include a detailed budget specifying how the program will be (and remain) self-supporting.
