Request for Consultation Responses

Avian Science Major: Discontinuation Proposal

January 6, 2011

The College of Agricultural & Environmental Sciences has submitted a proposal to discontinue the Avian Sciences Major.

Administrative Partners (DANN TRASK)

December 1, 2010 9:34 PM

No response at this time.

Elections, Rules & Jurisdiction

December 20, 2010 2:59 PM

CERJ has reviewed the discontinuation proposal for the Avian Science major and agrees that the proper procedures for discontinuation have been followed and departments that will be potentially impacted have been consulted. CERJ endorses the discontinuation proposal for the Avian Science major.

Graduate Council

December 13, 2010 2:48 PM

No response at this time.

Planning & Budget

December 9, 2010 9:12 AM

The Committee on Planning and Budget recommends approval given the understanding that this discontinuation will not impact student services given the resources and responsibility for student services have been absorbed into the Animal Science Major.

Undergraduate Council

November 22, 2010 12:45 PM

UGC has no concerns about discontinuing the Avian Science major and approve its discontinuation.
