Re: Revised Voting Procedures – Department of Radiology

The Committee on Academic Personnel has reviewed the revised voting procedures submitted by the Department of Radiology, and finds that they do not contravene Academic Senate Bylaw 55.

John R. Hall, Chair
Committee on Academic Personnel

October 24, 2012

TO: Edward J. Callahan, Ph.D.
Associate Dean for Academic Personnel
School of Medicine
University of California, Davis

FROM: John P. McGahan, M.D.
Vice Chair of Academic Affairs
Professor of Radiology
Department of Radiology
University of California, Davis

cc: Raymond S. Dougherty, M.D., Sherri Stone, Marlene J. Goetz, Nicole Steele

RE: REVISED VOTING PROCEDURES, DEPARTMENT OF RADIOLOGY 2012

Enclosed is a formal copy of the new department voting procedures as outlined by Vice Provost, Maureen L. Stanton in the recently correspondence on August 15th, 2012 as a response to our voting procedures sent to you on June 1st, 2012.
October 24, 2012

REVISED VOTING PROCEDURES, DEPARTMENT OF RADIOLOGY 2012

1. Voting privileges for all merit advancement, promotion, initial appointment and appraisal in the rank of Assistant Professor, Associate Professor, and Professor (in the Academic Senate and Academic Federation) are extended to all Assistant Professors, Associate Professors and Professors in the Academic Senate.

2. Consultation for merit advancement, promotion, initial appointments and appraisal in the rank of Assistant Professor, Associate Professor and Professor in the Academic Senate series are extended to all Academic Federation members in the Department of Radiology. This will be a consultation, no actual vote will be counted. These comments will be included in a separate Academic Federation consultation letter on all Academic Senate members' actions.

3. Voting privileges for merit advancement, initial promotion, promotion, initial appointment and appraisal in the rank of Assistant Professor, Associate Professor and Professor in the (Academic Federation) are extended to all Assistant Professor, Associate Professor and Professor in the Academic Federation. All votes will counted and comments included in the Department Letter.

4. Voting privileges for all merit advancement, promotion, initial appointment and appraisal in the rank of Assistant Professor, Associate Professor, and Professor (in the Academic Senate and Academic Federation) will be continue to be withheld from the Emeritus faculty.

Submitted by:

John P. McGahan, M.D.
Professor of Radiology
Vice Chair of Academic Affairs
Director of Abdominal Imaging
ASSOCIATE DEAN ED CALLAHAN  
School of Medicine  

RE:  Voting Procedures – Department of Radiology  

Dear Ed:  

The Committee on Academic Personnel has reviewed the revised voting procedures for the department of Radiology and requests one additional change, as outlined in their attached memo. Please submit a revised copy of the voting procedures to my office.  

Sincerely,  

Maureen L. Stanton  
Vice Provost—Academic Affairs  
Professor—Evolution and Ecology

Re: Revised Voting Procedures for Department of Radiology

The Committee on Academic Personnel has reviewed the revised voting procedures and notes that in Section 1, the procedure for voting on actions concerning faculty at the rank of Professor is not specified. The inclusion of ", and Professor" after "Associate Professor" in the first sentence would rectify this omission.

After correction, please resubmit a complete copy of the revised procedures for final approval by CAP.

John R. Hall, Chair  
Committee on Academic Personnel
