

**PROPOSED REVISION OF DAVIS DIVISION REGULATION A553:
Credit for Courses Taken at Other Institutions**

Submitted by the Academic Senate Chair.

Endorsed by Executive Council.

Rationale: UC Davis students who enroll in intersession courses that are offered at non-UC campuses and that do not occur during UC Davis instructional dates are currently required to request pre-enrollment approval from their Dean's Office to receive credit for those courses. In contrast, summer session course work taken at a non-UC campus does not require pre-approval. It seems the goal of this regulation is to prevent students from taking courses at non-UC campuses while they are taking UC Davis courses, and in that spirit, propose that students who enroll in intersession courses that are offered at non-UC campuses and that do not occur during UC Davis instructional dates be allowed to receive credit for those courses without pre-enrollment approval by their Dean's Office.

Proposed Revision: Davis Division Regulation A553 shall be amended as follows. Deletions are indicated by ~~strikeout~~; additions are in bold type.

Students are prohibited from obtaining transfer credit for courses taken at a non-University of California campus in a quarter during which the student is enrolled as a full-time student at Davis. - B. In those instances in which a variance has been granted, units earned from courses taken at a non-University of California campus shall be counted toward minimum progress in the quarter(s) in which the dual enrollment occurred.
