

Undergraduate and General Education Program Review Schedule
Revised June 2022

Academic year of next review	Cluster	College/School	Undergraduate Programs (majors and minors) - Reviewed by UIPRC	Subject Codes with GE literacies - Reviewed by GEC
2022-23	1	CAES	Agricultural and Environmental Technology (no review in 2022-23) Biotechnology Environmental Horticulture and Urban Forestry Ecological Management and Restoration International Agricultural Development Plant Sciences Sustainable Agriculture and Food Systems Sustainable Environmental Design	BIT ENH IAD PLS SAF
2022-23	1	CBS	Molecular and Medical Microbiology Plant Biology	MIC PLB
2022-23	1	L&S	Art History Art Studio Cinema and Digital Media Design Music Theatre and Dance	AHI ART CDM, CTS, FMS, TCS DES HUM MUS DRA
2022-23	1	SOM	Public Health Sciences minor	SPH
2023-24	2	CAES	Atmospheric Science Environmental Toxicology Hydrology	ATM ETX HYD, SSC
2023-24	2	CBS	Biochemistry and Molecular Biology Cell Biology Genetics and Genomics Systems and Synthetic Biology (no review in 23-24)	MCB
2023-24	2	L&S	Chemistry (all four Chemistry programs reviewed together) -- Applied Chemistry -- Chemical Physics -- Chemistry -- Pharmaceutical Chemistry Computer Science Data Science (no review in 2023-24) Geology Mathematics (all four Mathematics programs reviewed together) -- Applied Mathematics -- Mathematics -- Mathematical and Scientific Computation -- Mathematical Analytics and Operations Research Physics (both Physics majors reviewed together) -- Applied Physics -- Physics Statistics	CHE GEL MAT PHY STA
2023-24	2	SOM	(none)	CHA, HPH
2024-25	3	CAES	Agricultural and Environmental Education Contemporary Leadership minor (SAP) Science and Society minor (SAP) Landscape Architecture (externally accredited)	AED SAS LDA
2024-25	3	COE	Aerospace Science and Engineering (externally accredited) Biochemical Engineering (externally accredited) Biological Systems Engineering (externally accredited) Agricultural and Environmental Technology Biomedical Engineering (externally accredited) Chemical Engineering (externally accredited) Civil Engineering (externally accredited) Computer Engineering (externally accredited) Computer Science and Engineering (externally accredited) Electrical Engineering (externally accredited) Environmental Engineering (externally accredited) Materials Science and Engineering (externally accredited) Mechanical Engineering (externally accredited)	ENG EAE ABT, EBS, FPS, TXC BIM ECH ECI EEC ECS EMS EME
2024-25	3	L&S	Anthropology Cognitive Science Communication East Asian Studies History Global Studies minor (SAP) Jewish Studies minor Linguistics Middle East/South Asia Studies Philosophy Science and Technology Studies	ANT CGS CMN EAS HIS JST LIN ARA, HEB, HIN, MSA, PER, PUN PHI STS
