

February 3, 2012

MARY CHRISTOPHER, CHAIR

Executive Council Special Committee on the November 18 Incident

RE: Extension of Due Date for Final Report

During its January 20, 2012, meeting, the Executive Council granted the Executive Council Special Committee on the November 18 Incident a 30-day extension of the report deadline. The extension was granted given the negative impact to the special committee's work resulting from delays in receiving the Kroll and other official reports from other groups. This memo confirms a final report deadline extension to March 19, 2012.

Sincerely,

A handwritten signature in black ink, appearing to read "R. TUCKER". The signature is written in a cursive style with a horizontal line above the first few letters.

Richard P. Tucker, Chair
Committee on Committees
Professor, SOM: Cell Biology & Human Anatomy
