

January 2018	General Education Review Schedule			The Engineering Accreditation Commission (EAC) of ABET conducted evaluations during 2012-13. COE programs will be reviewed after completion of ABET in 2019-20.
	pink fill= no GE courses specific to that major			
Cluster & Year	CAES	CBS	CLAS	COE
Cluster 1	Biotechnology	Microbiology	Art History	
2014/15	Environmental Hort. & Urban Forestry	Plant Biology	Art Studio	
	Plant Sciences		Design	
	International Agricultural Development		Music	
			Cinema and Digital Media	
			Theatre & Dance	
Cluster 2	Hydrology	Biochem & Molecular Biology	Chemistry (All Chem reviewed as one)	
2015/16	Atmospheric Science	Cell Biology	Statistics	
	Environmental Toxicology	Genetics & Genomics	Geology	
			Mathematics (All Math reviewed as one)	
			Physics (Applied Physics reviewed with Physics)	
Cluster 3	Science & Society (Reviewed by SAP)		Anthropology	
2016-17			Communication	
			Science & Technology Studies	
			History	
			Jewish Studies (minor)	
			Linguistics	
			East Asian Studies	
			Philosophy	
			Middle East/South Asia Studies	
	CAES	CBS	CLAS	COE
Cluster 4	Community & Regional Development		Economics	
2017-18	Human Development		Psychology	
	Managerial Economics (ARE)		Sociology	
	Sustainable Environmental Design		Political Science Postponed to Cluster 5	
			International Relations Postponed to Cluster 5	
School of Ed Undergrad minor			Political Science-Public Service Postponed to Cluster 5	

Cluster 5	Environmental Policy, Analysis & Planning		African American & African Studies	
2018-19	Environmental Science & Mgmt	Evolution, Ecology & Biodiversity	American Studies	
	*Clinical Nutrition (Feb. 2014 Accreditation with 5 yr cycle; due in 2018-19)		Asian American Studies	
	Global Disease Bio major approved July, 2014 & added to Cluster 5 w/first class of students admitted fall 2015 (CAES, SVM, SOMA)		Chicana/o Studies	
	*Landscape Architecture (May 2012 Accreditation with 6 yr cycle; due again in 2018)		Native American Studies	
			Women & Gender Studies	
			Political Science Postponed From Cluster 4	
			International Relations Postponed From Cluster 4	
			Political Science-Public Service Postponed From Cluster 4	
Cluster 6	Fiber & Polymer Science	Biological Sciences	Comparative Literature	Engineering
2019-20	*Food Science (May, 2014 Accreditation with 5 yr cycle; due again 2019)		English	Aerospace Engineering
	Viticulture & Enology		University Writing Program	Applied Engineering
	Textiles & Clothing		Religious Studies	Biological Engineering
	Nutrition Science		Medieval & Early Modern Studies	Biomedical Engineering
			Interdepartmental Human Rights Program	Chemical Engineering
				Civil & Environ. Engineering
				Computer Engineering
				Electrical Engineering
				Materials Engineering
				Mechanical Engineering
Cluster 7	Animal Biology	Neurobiology, Physio & Behavior	Classical Civilization	
2020-21	Animal Science		Chinese	
	Wildlife, Fish & Conserv. Biology		French	
	Entomology & Nematology		German	
			Italian	
			Japanese	
			Russian	
			Spanish	
			Humanities (reviewed by SAP)
