

Revised SAP Review Schedule Approved January 2018:

The Special Academic Programs Committee will take a three-year hiatus (2018-19 & 2019-20, 2020-21) after 2017-18 reviews yet retain a chair of the committee, appointed by CoC, to serve on Undergraduate Council. If any SAP business arises, (e.g., new course/program approvals or RFCs) the appointed chair and Undergraduate Council will determine membership of the SAP committee at that time.

CoC will appoint full membership of the SAP committee for each of the years 2021-22 through 2024-25, and reviews will follow the schedule below.

*UCCS Review:

In 2016-17 SAP reviewed the University of California Center Sacramento (UCCS) Program and determined the program to have adequate oversight by instructors and their faculty council. Therefore, SAP will request that UCCS provide the committee with the most recent Advisory Board Faculty Council Report in lieu of conducting the standard SAP review. Because UCCS is a system-wide program administered by UCD, if concerns are noted they will be forwarded to UCEP via UGC.

UC Davis Washington Program Review:

Also in 2016-17 SAP reviewed The Washington Program and found that program to be lacking in adequate oversight. A letter with concerns was sent to UCEP, and UCEP's response stated that in 2011 it was determined that UCEP would be responsible for review of that program on a regular cycle; therefore, SAP has removed The Washington Program from their review schedule.
